

SAFETY DATA SHEET

U.S. Department of Labor
Occupational Safety & Health Administration

Flashband

SECTION 1 - IDENTIFICATION

MANUFACTURER: Andek Corporation
ADDRESS: 850 Glen Avenue, Moorestown, NJ 08057
TELEPHONE: 1-856-786-6900
In an emergency, contact CHEMTREC 1-800- 424-9300;
Outside the United States call +1-703-527-3887
PRODUCT IDENTIFIER: Flashband
RECOMMENDED USE: Flashing Sealant

SECTION 2 – HAZARD IDENTIFICATION

SIGNAL WORD: Warning - No hazard in normal industrial use.

HAZARD STATEMENTS:

Physical and Chemical Hazards: Not classified.
Human health: Not classified.
Environment: Not classified.

PICTOGRAMS: None required.

PRECAUTIONARY STATEMENTS:

Prevention:

- Use personal protective equipment as required.
- Contact with molten material will cause thermal burns.

Disposal:

- Waste disposal should be in accordance with existing federal, state and local environmental control laws.
- Incineration is the preferred method.

SECTION 3 – COMPOSITION:

No classified ingredients or those having occupational exposure limits are present above the levels of disclosure.

SECTION 4 – FIRST AID MEASURES

Skin:

- If burned by contact with molten material, cool as quickly as possible with water.
- **Do not** remove material from skin but keep affected area covered with cold, clean, wet compresses.

Eyes: If splashed by molten material, seek medical attention immediately.

Inhalation: N/A

Ingestion: **Do not** induce vomiting. Get medical attention immediately.

Recommendation for immediate medical care and special treatment needed, when necessary. No specific first aid measures noted.

SECTION 5 – FIRE-FIGHTING MEASURES

Extinguishing media:

- This material is combustible but not flammable.
- Use fire-extinguishing media appropriate for surrounding materials.

Special fire fighting procedures: Use protective equipment appropriate for surrounding materials.

Special hazards arising from the substance or mixture: Fire or high temperatures create: toxic gases/vapors/fumes of carbon dioxide (CO²) and carbon monoxide (CO).

SECTION 6 – ACCIDENTAL RELEASE MEASURES

Personal precautions: Wear protective clothing as described in Section 8 of this safety data sheet.

Methods and materials used for containment: Pick up for recycling or disposal as appropriate.

Cleanup procedures: **Do not** discharge into drains, water courses or onto the ground.

SECTION 7 – HANDLING & STORAGE

Precautions for safe handling: Avoid contact with bitumen film.

Recommendations on the conditions for safe storage:

- Store in factory sealed box in a dry, cool and well-ventilated place.
- Keep in original container.

SECTION 8 – EXPOSURE CONTROLS/PERSONAL PROTECTION:

Engineering controls: No particular ventilation requirements.

Inhalation protection: N/A

Eye protection: Wear safety goggles to prevent any possibility of contact with molten material or repeated or prolonged contact with material in any other form.

Skin and body protections: Heat resistant gloves must be used if handling molten material.

Other hygienic practices and protective equipment:

- Wash promptly if skin becomes wet or contaminated.
- Promptly remove any clothing that becomes contaminated.
- When using do not eat, drink or smoke.
- Wash hands at the end of each work shift and before eating, smoking and using the toilet.
- Use appropriate skin cream to prevent drying of skin.
- **Do not** smoke in work area.

SECTION 9 – PHYSICAL AND CHEMICAL PROPERTIES:

Appearance: Aluminum foil with adhesive layer and release-paper backing.

Color: Grey or Silver

SECTION 10 – STABILITY AND REACTIVITY

Reactivity: No specific reactivity hazards associated with this product.

Chemical stability: Stable under normal temperature conditions.

Incompatibility (materials to avoid): No incompatible groups noted.

Hazardous decomposition products: Fire creates; Carbon monoxide (CO), Carbon dioxide (CO²)

Conditions to avoid: Avoid excessive heat for prolonged periods of time.

SECTION 11 – TOXICOLOGICAL INFORMATION

Product is non hazardous but ingestion may cause obstruction.

SECTION 12 – ECOLOGICAL INFORMATION

Ecotoxicity: The product components are not classified as environmentally hazardous.

Biodegradation: N/A

Bioaccumulation potential: N/A

Mobility in soil: Not relevant, due to the form of the product.

Other adverse effects: N/A

SECTION 13 – DISPOSAL CONSIDERATIONS

Waste Disposal Method:

- Waste disposal should be in accordance with existing federal, state and local environmental control laws.
- Incineration is the preferred method.

Empty Container Precautions:

- Empty containers retain product residue; observe all precautions for product.
- Container is recyclable but must be completely empty before sending to recycle.
- If container is to be disposed, ensure all product residues are removed prior to disposal.

SECTION 14 – TRANSPORT INFORMATION

UN #	N/A
UN PROPER SHIPPING NAME:	Caulk
HAZARD CLASS:	N/A
PACKING GROUP:	N/A
ENVIRONMENTAL HAZARDS:	Not a Marine Pollutant
GUIDANCE ON TRANSPORT IN BULK:	N/A

Transport labels required: This product is not regulated by the D.O.T.

SECTION 15 – REGULATORY INFORMATION

US Federal Regulation:

SARA 313: No Substance Listed

US State Right to Know Regulations: New Jersey, Massachusetts, Pennsylvania, Rhode Island
No Substance Listed

CA Prop 65: No Substance Listed

Canada: No Substance Listed

SECTION 16 – OTHER INFORMATION (HMIS RATING)

Health	1
Flammability	0
Physical Hazard	0
Personal Protection	E

Disclaimer: Andek Corporation believes, to the best of its knowledge, information and belief, the information contained herein to be accurate and reliable as of the issue date of this Safety Data Sheet (SDS). However, because the conditions of handling, use, and storage of these materials are beyond Andek Corporation's control, we assume no responsibility or liability for personal injury or property damage incurred by the use of these materials and makes no warranty, expressed or implied, regarding the accuracy or reliability of the data or results obtained from their use. All materials may present unknown hazards and should be used with caution. The information and recommendations contained in the SDS are offered for the users' consideration and examination. It is the responsibility of the user to determine the final suitability of this information and data and to comply with all applicable international, federal, state and local laws and regulations.
